    QMainWindow <|-- MainWindow
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'QMainWindow'. Below it is a box labeled 'MainWindow'. A blue arrow points from the 'MainWindow' box up to the 'QMainWindow' box, indicating that 'MainWindow' inherits from 'QMainWindow'. The 'QMainWindow' box has a light gray fill and a thin gray border. The 'MainWindow' box has a darker gray fill and a thicker black border.
